Want Your Say-So? Register and Vote

Do you ever come home on payday, hand your check over to your neighbor and tell him to spend it any way he wants?

Do you ask others to tell you what to do in whatever group you belong to? Or do you like a share in making the decisions?

We think you're doing just those things if you don't sign up for voting.

In fact, not voting is even more serious. When you don't register or fail to vote you're handing someone else the chance to run your life and livelihood for you. Often the "someone else" is a person you wouldn't trust with a child's candy.

Voting not only puts your opinion on record, but it also gives you the privilege of complaining if things aren't run to suit you. There's probably nobody less important than a non-voter in the eyes of a public office-holder.

"But why should I vote if I don't know who's running or what it's all about?" you may ask. Well, it's to your advantage to find out. This paper will try to give you the information you need. Often, you'll find out a lot by attending meetings at which candidates appear. Also, you can get some good tips by talking to friends.

All this is to remind you that you have to be registered by next Thursday, April 10, in order to be able to vote in the June 3 primary election.

We've been printing names and places of registration and information on where you can register. We hope you've taken advantage of it.

But remember, signing up to vote is like getting some money to spend. Voting wisely is the same as spending money wisely — so take some time at the job of making up your mind on the elections. It pays to vote.

ABSURDIA IN SUBURBIA III is now rolling along its rollicking, zaney road toward the production scheduled for early May. The eye-filling, ear-splitting scene at left occurred at the recent Absurdia "Talent Night" at Orinda School. Mrs. Joseph Downs (left) is trying to decide whether it's music or something else that's coming from the "Bagettes" — left to right, Molly Nelson, Marian Brown and Jessie Swift. Seek Highway Funds for 1953

Diablo Federation To Appear Before State in June

With the view to urging appropriation of funds to assure start of Freeway construction in 1953, the Board of Directors of the Diablo Highway Improvement Federation is planning to have a delegation at the June 19 meeting of the California Highway Commission in Sacramento.

This was announced this week by Elliot J. Hartman, federation chairman.

"WE ARE PLANNING to make a presentation to the commission, urging appropriation of of funds for the Freeway job," Hartman said.

The board was instructed at the recent membership meeting at Acalanes High School to arrange to be present at the Highway Commission's June meeting.

The federation gathering was addressed by Supervisors Jack Cummings and Ray Taylor, both of whom talked in favor of the proposed $10,250,000 county road bond issue. Action on the proposal was deferred by the federation pending study of the Tudor engineering report.

1. — DECISION TO set up a committee to explore the possibility of cooperation with Alameda County groups toward the planning of a second major highway between the East Bay and Contra Costa County.

2. — Request by delegates that the organization's board make an effort to get county and state road planning to operate at a "real planning level," with the idea of working toward a master plan.

The General Motors film, "Get out of the Muddle," was shown through the courtetsy of Jurs Motor Company. The 16 mm. sound-and-color film was of special interest, since it portrayed crowded highway conditions throughout the country similar to those in this area.

CAPTAIN George Belon of the California Highway Patrol, the Oakland police captain of traffic and the Oakland street engineer are being invited to the next board meeting to discuss the problem of slides and traffic control on both sides of the Tunnel.

The board meeting, according ot Hartman, will probably be held within the next two weeks.

District Pupils: 1254—Oops, 1262

Now you see it—now you don't.

On Monday night, Schools Superintendent Joseph L. Sheaff reported to the Orinda School District Board that district enrollment, as of that day, was 1254—669 at Orinda School, 585 at Glorietta School.

But the very next day eight more students were added to the rolls. These transfers from other districts brought the total to 1262.

AT ITS SESSION at Orinda School, the board employed S. T. Jensen of Pinole as inspector for the new Sleepy Hollow grammar school, now under construction at the west end of Washington Lane.

Other business at the meeting included:

1.—Authorizing Sheaff to ascertain the price of a two-inch mesh fence for the bank of the shallow creek at Glorietta School. Youngsters going near the creek to retrieve balls or other objects get poison oak.

2.—CONSIDERATION of further enclosing the corridor at Glorietta School, as a protection against wind and rain. It will probably be summer before action is taken on this matter, according to Sheaff.

The Glorietta corridor windbreak decided on recently—a double door—will probably be in place in three or four weeks, the superintendent said.

Orindans Attend

Orinda scientists of Shell Development Company attending the 121st national meeting of the American Chemical Society with sessions in Buffalo, New York City and Milwaukee include:

T. J. Deahl of 38 Hillcrest Drive, F. Hilmer of 6 Monte Veda Drive, F. M. Fowkes of 4 Parklane Drive, R. T. Milligan of 138 El Toyonal, G. K. Nelson of 98 Martha Road and R. W. Tess of 3 Sycamore Road.

2' Open Houses' Planned Here For Schools Week

Plans for observance of Public Schools Week, April 28 through May 2, were discussed at Monday night's meeting of the Orinda School District Board.

As outlined by Superintendent of Schools Joseph L. Sheaff, the community's observance will include.

"Open house" at Glorietta School Monday, April 28, 7-9 p.m.

"Open House" at Orinda School Tuesday, April 29, 7-9 p.m.

Work of students will be on exhibit those evenings. The public is urged to visit the schools. Refreshments will be served by the Orinda Mothers Club.

Troop 200 Scouts Enjoy Snow Trip

Orinda Boy Scout Troop 200 went on a snow trip to Phillips, three miles below Echo Summit, last weekend.

They left the Scout Hut at 6 a.m. Saturday, drove through snowbanks over 15 feet high, had perfect weather and no injuries and spent about eight hours skiing.

Dennis Allara and John Hall passed the requirements for the skiing merit badge. Jasper Allara was instructor.

Among the scouts who went on the trip were Gary Arel, Dennis Allara, Peter Brooks, Walter Bumgarner, Eddie Gathings, Jerry Gillivan, John Hall, Woody Hauter, Dennis Hill, Bob Johnson, Doug Krotz, Bob Long, Larry Pilcher, Tom Thurston and John Winrod.

Fathers of the boys who went along on the trip were Jasper Allara, Jim Brooks, Ralph Hall, Ken Hauter and Don Krotz.

The group returned Sunday evening with the report that they all had a wonderful time.

Child 'Stealing' Case Quashed

Extradition proceedings instituted by Nebraska authorities to bring Mrs. Rosemary Hill of 6 St. James Court back to Nebraska for "stealing" her seven-year-old nephew have been dismissed by Justice of the Peace Thomas P. Meehan.

Followed by Governor Earl Warren's refusal to permit extradition, Meehan dismissed the warrant "in the futherance of justice." The court then exonerated the $100 bail posted by Mrs. Hill on February 19 when she surrendered.

Mrs. Hill took her nephew from his Wilber, Nebraska, home at the request of his mother, Mrs. Helen Broz, who is living with her.

Custody of the child is at issue in a divorce action brought by the father, Sidney Broz, in Nebraska, and in proceedings instituted in Alameda County by the mother, an airline hostess and sister of Mrs. Hill.

Family Argument Really Absurdia!

No, Willie, mother and father are not having a quarrel. They are just arguing over which one has the more important part in "Absurdia in Suburbia," the Orinda Mothers Club production to be given at Acalanes High School auditorium the evenings of May 2 and 3.

Father is in the men's dance group and he's having a wonderful time dancing with the pretty ladies in the chorus line. Mother is in one of the skits and has a hard time remembering her lines when she's not laughing at the other skits.

Trying to guess which Orinda family this is? You can find out for yourself by buying a ticket to "Absurdia in Suburbia" this weekend, and seeing for yourself on May 2 and 3.

Co-chairmen of ticket sales for the all-original Orinda talent show are Mrs. David Wallace for the north side of the Crossroads and Mrs. A. D. Henry for the south side of the Crossroads.

Assisting Mrs. Wallace in their neighborhoods are Mesdames Thomas Rodgers, G. Willard Miller, Ralph Phelps, Joseph Sheaff, Alfred Johnson, C. Lafayette Smith, Owen Jones and Frank Brush. They will also have helpers to make a house-to-house canvass.

Captains of ticket sales on the Moraga side under Mrs. Henry are Mesdames Horace Breed, D. Cook, Toom Moore, R. F. Wiseman, James Lindsay, Joseph Creighton, R. F. Tharp, Henry Harris, Thomas Mika, Carl Pedersen, William Cary, Roy Niosi, Arthur Boehm, Randall Cook, Calvin Univerh, Phyllis Adams and Fred Guarneri.

Rehearsals are well under way, with Ed O'Brien directing the skits, John Ogden, men Singers; Marion Brown, women's chorus; Arlene Coburn and Wendy Gilmore, men and women dancers, and Fred Udall, the music.

U. C. Students Bag Convertible Motorist

Sunny days of last week brought the tops down on convertibles, giving University of California student pranksters the idea of soaking convertible occupants with bags of water.

Among those who received the brunt of the joke were Mrs. Robert C. Cox and her small child, of Orinda, who received a bagging as the family came down the hill from the radiation laboratory in Berkeley, where Cox is employed. Earlier, they had been "bagged" at Gayley Road and Hearst Avenue.

Teachers Request Salary Increases Averaging 16%

Teachers' salary increases averaging about 16 per cent above present scales were asked at the monthly meeting of the Orinda School District Board Monday night .

The proposal was made by the Orinda Teachers Organization's salary committee, consisting of James Comer, chairman; Cornelius Murphy and Glenn McNicholas.

The trustees, meeting at Orinda School, heard the committee cite as reasons for the request the rising cost of living and the need for encouraging people to enter the teaching profession.

THE BOARD TOOK the proposed salary schedule under consideration. Superintendent of Schools Joseph L. Sheaff later reported that the trustees were very sympathetic and would give the matter full study. An informal session with the teachers' committee may be held after the Easter vacation. A board reply is expected by the May 5 trustees' meeting, since the teachers' contracts for the next school year are issued in May.

As proposed by the teachers, beginning salaries would be upped from $3040 to $3500 per year.

ANNUAL INCREASES would be as follows: $130 for those with A.B. degrees but with less than 12 units of post-graduate work: $170 for those with 24 units of post-graduate work; $190 for those with 36 units of post-graduate work (master's degree).

These increases would continue through the 13th year.

PRESENT SALARY schedules are for annual increases of $110 for teachers with A.B. degrees but who do not have their master's degree, and for an extra $110 differential for those with master's degrees. These increases continue through the 13th year.

Except in the case of temporary teachers, all instructors hired by the district must have bachelor's degrees.

Last year the board raised teachers' salaries $440 per year, on an "across-the-board" basis. In addition, a $220 cost-of-living bonus was given the teachers a month ago, from funds obtained from the State Department of Education on the basis of the district's increased student enrollment (average daily attendance) over last year.

Announce Winners In Camera Club

The Contra Costa Camera Club held its regular print and slide competition March 25 at Orinda Community Church. Judge and critic was Walter Sullivan of San Francisco, who made selections as follows:

Beginner division: First, Dick Allman's "Short Wave Aerial;" second, Dick Allman's "Afternoon Scenic;" third, Don Hanson's "Portrait of a Young Lady;" fourth, Don Hanson's "Cousin in Her Formal;" fifth, Don Hanson's "A Mast of Steel."

Advanced class: First, James Hokanson's "Pipe Pattern;" second, Hokanson's "Landscape;" third, Jackson Davis' "The Ex-Arabian Knight;" fourth, Hokanson's "Portrait;" fifth, C. P. McVicker's "Hawsers."

There were no entries in the salon division. In color division, first was Mrs. Irene Spencer's "Scott Valley;" second, Guy Spencer's "Merced River;" third, Spencer's "Cypress Point;" fourth, Don Hanson's "Saltair;" fifth, Ben Randall's "Spring Time Walk."

The next meeting will be held at the church next Tuesday, 8 p.m. Speaker will be John Robinson, who will talk on color photography.

Robinson is a color photographer of some reputation, regularly making cover shots for "Sunset" and other similar-type magazines.

Hats Off to All Orinda for Super Red Cross Drive

Hats off to Orinda for a rousing, public-spirited job in the Red Cross finance drive!

The community wasn't satisfied with a quota of $7000.

As of last weekend, over $7800 had been collected—and more was coming in.

It's impossible to single out this or that individual in such a successful effort. The hard-working captains and solicitors and the community chairmen, Mrs. William S. Everts and Mrs. Walter Cole, deserve heartiest congratulations, of course. But the wholehearted cooperation of the entire community is what made the drive go 'way over the top.

So the SUN says: Hats off to all of Orinda!

Horstkotte Gets Sanitary District Engineer Post

Gerry A. Horstkotte Jr., 34, of Lafayette was named this week as the new engineer of the Central Contra Costa Sanitary District. He will report April 10 for the $725 a month job.

The board agreed on the choice unanimously after interviewing eight applicants. Formal action at the board meeting last night was expected to confirm Monday's informal decision.

Horstkotte lives at 3069 Diablo View Road, Lafayette, in the Pleasant Hill area. He is now chief civil design engineer of the power division for the Bechtel Corporation, San Francisco.

He has degrees from Oregon State and the University of Oregon and did sanitation work for the War Department. During the war, he was in the Navy and designed and supervised water and sewerage installations on Pacific islands.

He also has worked as associate sanitary engineer for the state Bureau of Sanitary Engineering. His work for Bechtel brought him to Contra Costa County for several power plant, sewerage and drainage installations.

Road Bonds—June or November Ballot? County to Decide by Middle of April

Will the proposal for a county wide road bond issue, expected to be in the neighborhood of $10,250,000, be on the ballot at the June 3 primaries or will its submission to the voters be delayed until November?

The Board of Supervisors will decide by the middle of April, according to County Administrator D. M. Teeter.

Teeter reported that Assistant District Attorney Thomas F. McBride advised the board, at an informal conference on the subject Wednesday afternoon, that a decision did not have to be reached until around the middle of the month.

"THE BOARD WAS of the general sentiment that the bond issue proposal should be placed on the June ballot if an effective campaign could be made before the primaries," Teeter said. "However, it didn't come to a definite conclusion.

"Iona Booth, manager of the Contra Costa County Development Association, was asked to invite newspaper publishers of the county to a dinner in Martinez next week, probably on Wednesday, where the matter will be discussed by the publishers, the Development Association and the supervisors. The idea will be to try to determine if there is time for an effective road bond campaign to be conducted between now and June 3."

Prior to this week's conference, it had been supposed by the board that today was the deadline for decision on whether to place the proposal on the June ballot. But McBride explained that the April 4 deadline applied only if a non-county agency wished to have a proposal of its own on the county ballot, in which case the outside agency would have to notify the county not later than today. For a county proposal, the county has until around the middle of April to decide.

"Originally, it was intended for the bond issue proposal to be on the June 3 ballot," Teeter stated. "But it has been argued by some that there would be insufficient time for an adequate campaign on behalf of the proposal and that therefore it would be better to wait until November."

One of the groups which has urged the supervisors to delay the bond issue vote until November is the Contra Costa County Taxpayers Association.

A two-thirds vote would be required to pass the bond issue. In 1948, a proposed $3,000,000 bond issue for county roads received a 56 per cent "yes" vote, so the proposal failed to carry.

"PERSONALLY, I feel that it is not good to keep delaying the problem," Teeter said. "There's always some argument that 'this is not the right time,' In all my years with the county there never has been a 'good time' for the work.

"We're like a factory whose business has expanded to the point where machinery is crowded into inadequate space, with resultant accidents happening to people. Obviously, it is necessary to do something to correct the situation."

Being studied is the report on county road needs made by Ralph Tudor, engineer hired for the purpose by the county. Tudor's report recommends projects totaling $10,250,000.

"The $10,250,000 work recommended would be on only urgent problems, for reconstruction and some new construction," Teeter said.

"THE COUNTY BUDGET this year has something like 30 to 33 cents (per $100 assessed valuation) for highway purposes. "If we could start off with 20 cents to pay toward bond issue costs, the remainder could be used to start repair and other work on our side roads, which are in bad shape.

"Actually, a $10,250,000 bond issue isn't so high. Back in 1919 the people of the county voted a $2,600,000 bond issue. If the maximum bonding allowed (5 per cent of the assessed valuation) were carried out, the amount today would come to $16,500,000."

C. W. White Wins Children Custody

C. Wadsworth White, Oakland attorney, won custody of his two children, Cynthia, 8, and Lee, 5, in Superior Court in Martinez Tuesday. Mrs. Dorothy White of 1 Las Vegas, the children's mother, was found in contempt of court.

Superior Judge Norman A. Gregg, who awarded the custody to White, directed that Mrs. White may have the children or visit them each weekend.

After six months, Judge Gregg said the court may be asked to re-examine the situation.

The court sentenced Mrs. White to two days in the county jail on the contempt citation, for violation of a previous court ruling on custody of the children, but suspended the sentence.

John Bambenek Dies At Hospital

John Joseph Bambenek, 72, of 32 Southwood Drive died at a hospital Saturday after a short illness.

Bambenek, a native of Minnesota, had been a resident of Orinda for the past several years. A retired printer, he was a member of the San Francisco Typographical Union No. 21.

Survivors include three daughters, Mrs. Alice Greenwaldt of Orinda and Mrs. Adeline Wilson and Mrs. Jeannette R. Sisk of San Francisco; two brothers, Bimbill Bambenek of Orinda and Anthony Bambenek of Minnesota; three sisters, Cecilia Gardener and Esther Lordahl of Chicago and Reginia Remlinger of Montana, seven grandchildren and eight great-grandchildren.

Services were held Tuesday at the Little Chapel of the Flowers, Hull and Sons, of Walnut Creek. Burial was at Cypress Lawn Cemetery in San Francisco.

Eighth Graders Make Trip To Sacramento

Eighth graders from Orinda School made their annual trip to Sacramento last Saturday in conjunction with their study of local, state and federal government.

They were taken through the Capitol building and grounds and introduced in the Senate and Assembly chambers by Senator George Miller Jr. and Assemblyman Robert L. Condon, respectively.

Creighton Files Central Committee

Bid for young voter representation from the Second Supervisorial District on the County Republican Central Committee has been made with announcement of the candidacy of Joe Creighton of Orinda for a committee seat.

An attorney, Creighton is president of the Contra Costa County Young Republicans, an active member of the Orinda Chapter of the Young Republicans and the Contra Costa Republican Assembly, and was runner-up to John F. Baldwin Jr., as Citizens' Committee choice for 6th District congressional candidate.

Active in local affairs, Creighton has served as a trustee of the Orinda Community Church and president of the Glorietta Improvement Association. His sponsors include leaders of political and business organizations in the Orinda-Lafayette area.

Creighton is backed by Duane Neuenschwander, president of the Orinda Young Republicans.

As program chairman of the Central Contra Costa Young Republicans (now the Orinda chapter), Creighton was responsible for organizing the meeting in Orinda last fall at which Sen. William F. Knowland was the principal speaker.

"We need," Creighton said, "a more active Republican Party in this county. The central part of the county can no longer take a back seat and let the industrial regions decide on policy. The Central Committee needs men who have proved they will get out and work as well as talk. It is not enough to show interest in election years; the planning must be done beforehand."

Creighton is a member of the Orinda Rotary Club, the Oakland Junior Chamber of Commerce, the Speakers Club of Oakland and the Alameda County Bar Association.

Dramateurs Score Again – This Time With 'Dear Ruth'

By THE REVIEWER

As always, the Orinda Dramateurs did very well again—this time with the light comedy material contained in Norman Krasna's "Dear Ruth," at the opening last weekend.

There's one more chance to see it—tomorrow night at 8:15, at Orinda School.

The casting of this romantic mixup was especially fortunate.

Leonard Nachman, who always gives a topnotch performance was very effective in the role of Judge Wilkins, father to both Miriam, the adolescent 16-year-old, and her sister Ruth, the play's heroine.

Hilda Probert gave a smooth portrayal of Mrs. Wilkins, while Gail Smith was excellent in the role of the irrepressible Miriam herself.

We liked Sherill Fitch's naturalness and charm as Ruth, and Bill Odell's bouncy interpretation of Lieutenant Bill Seabright, the young man who unexepectedly enters the life and plans of "Dear Ruth."

Luke Kentfield was very convincing as Ruth's rejected suitor, who was replaced in Ruth's affections by Bill Seabright.

Warren Jones as Chuck, friend of Bill's was fine, as was Iris Rakestraw in the role of maid.

Fred Udall brought the play to a punch line finish as a strange young sailor inquiring for Miss Ruth Wilkins.

Edward O'Brien, Dramateurs director, is to be congratulated for his ability to direct amateur actors in such a manner that they maintain good pace, render lines crisply and at times almost approach professional comedians.

Talk on Flowers For Guild Groups

Sections 3 and 4 of the Women's Guild will meet together at Orinda Community Church at 8 p.m. Tuesday. The program will feature a talk on flower arrangements and a lovely display of them by Mrs. Donald Smith of Berkeley.

Members are urged to bring guests but if doing so to please phone the chairman of the hostess committee, Mrs. F. Van Gilluwe, Orinda 8056.

Over 300 Attend Orinda Branch Fashion Show

The Orinda Branch of the Children's Hospital of the East Bay held its annual Luncheon and Fashion Show Tuesday at Orinda Country Club. The event was attended by 305 guests.

Branch members served luncheon to their guests and were assisted by a group of their daughters and friends from Acalanes High School.

Beautiful clothes from the new Joseph Magnin store in Walnut Creek were modeled by Mesdames Wallace Greenlaw, Robert Jurs, Robert Caswell, Stewart Dinwiddie, Eugene Shurtleff, Stuart Davis, [illegible] Bond, Robert Smith, John McFarland, Fred Borden, Victor Bergeron and Tom Ray Jr., and Misses Kay Goodwin, Betsey Selby and Gay Bolman.

Mrs. Jack Rogers was commentator. Pepe Landeros' Continetals furnished the music.

The guests played a new guessing game—they guessed the prices of 10 costumes. This was won by Mrs. Donald Lawrie.

Guests of honor were Mrs. William Harold Oliver, Maybelle Williams, Mrs. Mae Nichols and Syril Magnin.

Communion Rites Thursday Evening

Remembering the founding of the Lord's Supper "on the night He was betrayed," members of the Orinda Community Church congregation will gather next Thursday evening at 8 in the candle-lit chapel to welcome incoming church members and participate in the Service of Communion. There will be a number of confirmations.

The entire choir will take part in the music, led by Mr. and Mrs. Daniel Popovich. The service, according to the minister, Rev. Fred R. Morrow, has become one of the most largely attended in the church year.

The Community Church will also participate in Good Friday services in cooperation with St. Stephen's Episcopal Church and the Lafayette Community Church, from noon to 3 p.m. in its own chapel. During each half-hour period there are to be hymns, prayer and organ music; and people of the community are invited to be present for all or any part of the vigil.

'7 Last Words' Music Sunday Eve

Rehearsals are completed for the Palm Sunday evening presentation of "The Seven Last Words of Christ" by the choir of Orinda Community Church under direction of Margaret Popovich.

The service begins at 8 o'clock and is held in the chapel. Dubois' moving cantata was given its first Orinda presentation last year, and is being repeated in answer to many requests. "Not a concert, but an hour of devotion," is the director's description.

Double accompaniment, with Mrs. Thomas Fahay at the piano and Daniel Popovich at the organ, increases the effectiveness of the music, with its dramatic choruses and solos.

Among those participating as soloists are Mrs. Popovich, Edmund Richard, Kenneth Courtright, Odette Weatherbe, James Hupp, Stanley Hunn, Karl Belz, Dorothy Morrow and Kenneth Wohn. All music-lovers are welcome.

ORDINANCE NO. 689
AN ORDINANCE TO AMEND SECTION 6 OF ORDINANCE NO. 491, AS AMENDED, OF THE COUNTY OF CONTRA COSTA, AN ORDINANCE REGULATING THE COMPENSATION OF OFFICERS AND EMPLOYEES OF SAID COUNTY, AND PROVIDING FOR APPOINTMENTS, TERMS OF EMPLOYMENT, AND COMPENSATION OF DEPUTIES AND EMPLOYEES OF SAID COUNTY.

The Board of Supervisors of the County of Contra Costa, State of California, do ordain as follows:

SECTION I: Section 6 of Ordinance No. 491, as amended, is further amended in the following respects:

By adding the words "Student Hospital Attendants ____ $47.50 per month", next following the words "X-Ray Technician ____ 22".

SECTION II: This ordinance is hereby declared to be an emergency ordinance for the immediate preservation of the public peace, health and safety and shall take effect and be in force immediately upon its adoption, and within fifteen (15) days after said adoption shall be published with the names of the members voting for and against the same in the "Orinda Sun," a newspaper of general circulation printed and published in said county.

The conditions constituting such emergency are as follows: On recommendation of the Medical Director of the Contra Costa County Hospital and pursuant to an Order of the Board of Supervisors regularly made on the 4th day of September, 1951, the employment of student hospital attendants at the rate of $47.50 per month was approved. It is necessary to clarify the status of these student employees within the framework of the County Civil Service System so that continued recruitment of such essential hospital employees shall not be interfered with and the orderly and efficient operation of the County Hospital facilities may continue uninterrupted.

PASSED AND ADOPTED by the Board of Supervisors of the County of Contra Costa, State of California, at a regular meeting of said Board held on the 25th day of March, 1952, by the following vote:

Navy Chaplain At St. Stephen's On Palm Sunday

Palm Sunday services will be conducted by Chaplain Kenneth D. Perkins, assistant district chaplain of the 12th Naval District. Chaplain Perkins was rector of Holy Apostle at Hilo, Hawaii, prior to Pearl Harbor.

Plans have been completed for Good Friday services. The church will be open from noon to 3 p.m. for joint services with Orinda Community Church. Rev. Fred Morrow has arranged for the first two hours, and the Rev. Allan McMahan will conduct the regular Episcopal Good Friday service from 2 to 3.

Easter Sunday services will be held at the Community Church, with Canon Nelson of Grace Cathedral officiating. Sunday school will be held simultaneously with church services.

A special committee has been appointed to take care of decorating the church for Easter, headed by Mrs. William Arends and Mrs. Charles Gibbs. Easter flowers for this purpose will be needed. Floral donations and memorials are invited. Please call Mrs. H. W. Pillsbury, Orinda 2579.

Church Plans Two Easter Services

Eight years ago the Orinda Theater opened its facilities to the then much smaller community for Easter services under the leadership of Rev. Palmer Williams. Each successive year the growth of the community and its church interest has increased attendance at these services until it has become necessary to offer two identical worship periods, at 9:30 and 11 a.m., in the theater auditorium.

At both hours the augmented Chapel choir will sing and the sermon will be given by Rev. Fred R. Morrow on the theme, "Life, Anchored at Both Ends."

However, at 9:30 an added inducement will be offered in the appearance at that time only of the excellent Junior Choir trained by Margaret Popovich.

By courtesy of Sherman Clay and Company, an electronic organ will be placed in the theater for the use of Organist Daniel Popovich in numbers incidental to the service and accompaniment for the choral music.

"Attendance of a large number of people at Easter services" says the Rev. Mr. Morrow, "is not a cause of sarcasm. It represents the most universal interest in the world—the hope and faith of immortality. Many a man who never went to church regularly before has learned at an Easter service that Christianity is a year-around force for spiritual victory."

Crosley-Wilhoit Open Office Here

Crosley and Wilhoit Realty Company of Berkeley announces the opening of its branch office in Orinda at 61 Moraga Highway in the Dykes Building. Crosley and his staff are associated with Orinda Homes, Incorporated, headed by Matthew W. Radonich.

Radonich is well known in Orinda building circles. He is presently featuring construction of contract homes of modern design.

Crosley and Wilhoit are newcomers to Orinda but have long been identified with the real estate business in Berkeley and Contra Costa County, particularly in San Luis Gardens, Danville Park and Orchard Glen. They are members of the State of California Realtors Association and the National Association of Real Estate Boards.

The Orinda office will be under the management of Frank W. Brogdon, a Berkeley resident for a number of years. Brogdon is a retired naval officer.

Jerusalem Entry To Be Recalled At Sunday Rites

The traditional palm branches will decorate the chancel of Orinda Community Church Sunday as in both morning services the triumphal entry in Jerusalem is remembered.

The brief service at 9:30 is followed by youth and adult classes.

At 11 o'clock there will be worship with sermon, conducted by the Rev. Fred R. Morrow, assisted by C. Ray Fowler.

Margaret Popovich will sing Faure's "The Palms." Organ selections by Daniel Popovich include "Adagio in F" by Bach, and "Air" by Pergolesi.

Topic of the sermon is "The Bridge of Decision."

Capt. Tranberg Is New Air Commander

Captain Everett E. Tranberg of 9 La Sombra Court has been appointed commander of Headquarters Section of the 28th Air Division (Defense) at Hamilton Field, the Air Force has announced.

Permanente Buys Hospital Site

Kaiser Foundation Will Construct Hospital at Art and Garden Center

The Permanente Foundation yesterday announced an agreement to purchase five acres of property adjacent to the city limits of Walnut Creek, California, for the construction of a 750,000 hospital to serve the growing eastern Contra Costa County area.

(Four weeks ago The SUN announced that Permanente was looking in this area for a site.)

The Foundation is a non-profit, charitable trust established by the Henry J .Kaiser family to provide hospital facilities and conduct medical research.

The property contains the Art and Garden Center of Walnut Creek, owned and conducted for the past 10 years by Mr. and Mrs. Edward C. Counter.

The Foundation said that the new complete and modern Kaiser Permanente Hospital will contain 45 beds initially, with provision for expansion. The one-story, 20,000-square-foot building will be constructed in harmony with the surrounding countryside. The Art and Garden Center buildings and gardens will be retained as part of the hospital facilities, the latter providing ideal surroundings for patients during convalescence.

THE PERMANENTE Foundation will take possession of the property on or before July 1 and construction will begin immediately thereafter. Completion of the hospital is scheduled for the earliest possible date.

The Foundation emphasized that the new hospital will be available to all persons in the area, in addition to several thousand Permanente Health Plan members, and will provide facilities not only for the Health Plan staff but for private physicians and surgeons located in the area.

NEED FOR THE NEW hospital was voiced by Walnut Creek city councilmen and has the approval of the County Planning Commission.

Mayor Joseph Bell of Walnut Creek said that "all of the council members are of the opinion that the Permanente Hospital will be a very welcome addition to the community. Our population growth makes such a hospital a necessity, and the proposed location is ideal. Having operated an ambulance service in Walnut Creek for many years until a few years ago, I am particularly cognizant of the need for close emergency facilities in this area."

A. A. "Tommy" Franklin, chairman of the council's planning committee, revealed that Walnut Creek would take immediate steps to incorporate the hospital property as part of the city.

MR. AND MRS. COUNTER, who plan to reestablish the Art and Garden Center at another Walnut Creek location, said: "We are selling the property to the Permanente Foundation because it is a worthy and valuable institution and its new hospital will be for the betterment of the community." The Counters were represented in the negotiations by Attorney John A. Nejedly.

The Foundation's choice of Walnut Creek as the location for the hospital was based on the area's need for additional hospital facilities.

THE WALNUT CREEK Kaiser Permanente Hospital will be complete with surgery, delivery rooms, laboratories, x-ray, emergency facilities and pharmacy and will incorporate innovations in design and equipment new to hospital planning.

Major innovation in design will consist of decentralizing nurses' stations and utilities by turning the usual central corridor into a utility corridor for nurses, physicians and employees. The utility corridors will contain work space, nurses' stations, utility rooms, drugs, x-rays, treatment materials, instruments, charts, etc., for each patient just outside the patients' rooms.

The public and visitors will be routed through outside corridors, entering patients' rooms through sliding glass doors. Both walls of the outside corridors will be floor-to-ceiling glass, with drapes for privacy operated from the patients' bedside. Of the Walnut Creek hospital's 45 beds, 29 will be in private rooms.

ANOTHER FEATURE will be a private nursery plan wherein each baby will be situated behind the mother's bed in an individual, glass-windowed nursery, from which the bassinet with baby can be pulled to the mother's bedside. Visitors can view the baby through a window into the nursery while the baby is actually attended by the nurse, who enters the nursery from the working corridor.

This will be a convenience for nurses and make the baby available to mothers for feeding and care. The plan caters to having the mother and baby together for psychological as well as practical reasons.

All beds will be of the electric motor type for adjustment of back and knee rest and height. Alongside each bed within reach of the patient will be a stainless steel unit containing a lavatory with hot, cold and ice water taps.

Each bedside also will have a four-channel radio and phonograph outlet, piped oxygen, refreshment and food facilities and a closet for patients' clothes.

The Kaiser hospital system, with headquarters in Oakland, already sponsors 13 hospitals and clinics in other California cities.

SCENES LIKE THIS will be something in the past at the Art and Garden Center in July when Permanente Hospital takes over. Mr. and Mrs. Edward C. Counter Jr. founded the Center 10 years ago, when they moved in with 33 tons in various collections. Three ancient oak trees gave the estate its first name, Los Tres Robles.

Most Government Workers Honest, Demos Are Told

"Corruption in government is not confined to any one party or any one time," Harold G. Robinson, deputy attorney general of California, declared before a crowd of over 150 Diablo Democrats gathered for a "County Candidates Night" rally in the Mt. Diablo High School auditorium in Concord last Friday night.

"Instances of malfeasance in office have multiplied because the federal government has become a gigantic enterprise," Robinson, former chief investigator for the Kefauver and Truman committees, said.

"In Grant's time there were only 5000 Federal employees and only a few bad officials; during Harding's regime there were 500,000 workers in Washington, D. C., and many more scandals; today there are over two million people in government service, and naturally isolated instances of graft have multiplied.

"But there are many thousands of honest, industrious, competent federal employees today," Robinson reminded his audience.

Candidates who made their opening campaign speeches for nomination in the June 3 primary election were:

Hal Mutnick, Lafayette; William Phelps, Lafayette, and Lou Gerhardt, speaking for Harmon Welsh, Port Chicago, for the new 10th Assembly District seat.

Fred Nettles, Pacheco, and Bert Coffey, Richmond, representing George Miller Jr., in the State Senate race.

Tom McMorrow, Martinez, and Paul Ward, Richmond, speaking in behalf of Assemblyman Robert L. Condon, Walnut Creek, who are seeking the new 6th Congressional District post.

State Senator Miller and Assemblyman Condon were unable to appear as a night session was called for the Legislature in Sacramento considering Governor Warren's budget.

Other Diablo Democratic business during the evening included signing up of new members, collection of campaign funds and scheduling of area meetings of Democratic workers during April.

Fourth Candidate Eyes College Post

Another candidate filed this week in the race for trustee of the Contra Costa Junior College. There are now four candidates for the two jobs.

The newcomer is James V. Lipary, El Cerrito. He's running against C. T. Butler, Hercules, and incumbents Bert Coffey, Richmond, and George R. Gordon, Martinez.

Tudor Recommends $10,250,000 Bond Issue for County Road Projects

That Contra Costa County should undertake now a $10,250,000 county highways construction, reconstruction and development program is the conclusion submitted to the Board of Supervisors yesterday by Ralph A. Tudor of San Francisco, nationally known engineer, following a three-month survey of the county's 858 miles of roadway.

The program that Tudor recommends includes 78 miles, with development of one entirely new stretch of highway that would provide a direct route via the Cowell area from Walnut Creek to Kirker Pass, the outlet for traffic from Pittsburg, Antioch and other east county regions.

Comment that virtually places the recommended improvements on an urgency basis declares "it is clearly evident that present deficiencies will be aggravated unless substantial corrective steps are taken."

The report also emphasizes: "The program of major improvements herein developed for consideration by the county includes those items which we believe to be most urgent and which can be handled best by a bond issue."

Tudor's 41-page report is the most exhaustive ever made of the county road system.

TUDOR, BEST KNOWN on the coast for his San Francisco Bay Bridge engineering, was employed by the supervisors to make this survey.

"The supervisors and the people now have available the most extensive information ever assembled on highway conditions and requirements for the county," County Administrator D. M. Teeter declared. "It is from a nationally known engineering firm, minus either political or provincial considerations."

H. L. "Jack" Cummings, chairman of the Board of Supervisors, said the report presents "invaluable information that will assist us in our representations for increased state highway appropriations and work."

THE ENGINEER'S recommendations for expenditures bring into the recommended program roads in all parts of the county, with equal distribution and with consideration of service in connection with the state system.

In the light of possible submission of a bond issue to the people, it is pointed out that bond financing would permit application to non-bond roads of maintenance funds that otherwise would go to the highways to be improved under bond financing.

In all of Tudor's determinations there was utilization of nationally accepted methods of measuring traffic capacity of each road. Traffic counts, accident records and a mass of factual data were employed "to avoid speculation and guesswork."

EACH ROAD WAS subjected to these determinations: Does the road have sufficient capacity for present traffic? Is the road unusually hazardous? Is the road built to reasonably modern standards and in a normal state of repair? And how will the road fit into the scheduled program of improvements of the state highway system?

The survey then resolved to decisions on traffic capacity deficiency, traffic accident hazard and structural conditions.

On the time element for execution of the program the report says: "To attempt to complete all of the work faster will probably result in increased costs. There are a few projects listed that can be undertaken with little delay, but, in most instances, approximately a year will be required to prepare plans and obtain rights-of-way.

"The bulk of the construction should be spread over about two years to avoid overburdening qualified contractors and subsequent increased costs. Some work may remain to be completed in the fourth year."

IN HIS LETTER of transmittal to the supervisors, Tudor declares:

"We recognize that this does not include all of the improvements that are necessary or desirable within the county, but we do believe that from an engineering viewpoint it includes those of major importance that cannot be readily financed from funds that will become available to the county through normal processes over the next several years."

Here Are Major Jobs Suggested By Tudor Report

Major extended units of highway recommended in a $10,250,000 Contra Costa County highway program by Engineer Ralph Tudor are:

San Pablo Dam Road — entire length from Orinda to Richmond, estimated cost, $2,430,000.

Pleasant Hill Road — entire length from Acalanes Junction to Martinez, $1,300,000.

Crockett short-cut — from Crockett southerly over hills to state highway connection, $875,000.

Lafayette to Moraga — via what is generally known as St. Mary's road; Moraga to Orinda — reconstruction of stretch from a point south of Orinda to Moraga; $375,000. (These two projects are on tangents and in areas that would be served by the proposed Shepard Canyon tunnel and may hasten construction of the projected second inter-county bore).

Walnut Creek to Kirker Pass — this will require building of a new stretch of highway (3-3¾ miles) that will provide a new fast route via the Cowell area, from Walnut Creek, for traffic bound to or from Pittsburg, Antioch and other east county regions. It would also provide Concord relief from through traffic. $600,000.

Kirker Pass - Somersville Road — take-off from Kirker Pass Road into Antioch.

Martinez to Avon — relieveing flooded and sunken road conditions.

Avon to Arnold Highway — Industrial Roadway with heavy traffic, products and workers.

San Pablo — Extension of Third Street.

San Pablo — extension of San Pablo Dam Road.

Richmond - San Pablo - El Cerrito — projects on city streets to roads of general county interest.

Pleasant Hill area — 10½ miles of relocation, construction.

Other recommended projects include: Seal Bluff Road, Ygnacio Valley Road, Oak Grove Road, Treat Lane, Castle Hill Road, Stone Valley Road, Green Valley Road, Diablo Country Club Road, Tassajara Road, Loveridge Road; L Street, Antioch; Wilbur Road, Antioch; Byron Highway, southeast of Byron.

Federal Conciliator Announces Delay To Today of New Talks in Bus Strike

Wednesday's scheduled meeting between the A.F.L. Drivers Union and the Pacific Greyhound Company was postponed until today, it was announced by Federal Conciliator Omar Hoskins.

Hoskins, who described the delay as due to "lack of progress," has been holding separate meetings with both parties in an effort to try to settle the bus strike which has interrupted service for more than a month throughout seven western states.

HARDEST HIT in the Bay Area are the various commuter groups, which have been forced to turn to private car pools on the already overcrowded highways in an effort to solve their transportation problems.

In a brief interview Wednesday with Del Armstrong of Walnut Creek, publicity director for the Contra Costa County Commuters Association, Hoskins stated that both parties in the dispute are realistically trying to reach some form of agreement or compromise on the issue of the five-day week, which is the main point of difference in the dispute.

Armstrong made it clear htat his group has taken no side in the controversy, and that the local commuters association has no connection with the Marin County group, which last week directed a telegram to President Truman, asking help in settling the strike.

JOHN McKIRAHAN of Lafayette, who heads the service committee for the Contra Costans, announces considerable success in the private ride pool situation, adding, however, that continuous follow-up is needed to cope with the changing conditions affecting the use of private cars on the crowded highway.

A three-car wreck Wednesday morning near Planters Dock, Lafayette, stalled traffic all the way back past Acalanes Junction, and the Lafayette Fire Department was called out to remove spilled gasoline and guard against a possible flash fire on the heavily traveled roadway.

ARTHUR BOWMAN of Orinda president of the Commuters Association, has expressed his appreciation for the efforts of H. L. "Jack" Cummings, chairman of the County Board of Supervisors, for his help in enlisting the cooperation of the Oakland Police Department in directing peak-hour traffic past the hill-slide on the Oakland side of the tunnel.

Bowman also noted that a bad stretch of roadway on Fish Ranch Road was repaired early this week restoring that route as a partial by-pass for Mt. Diablo Boulevard.

Next regular meeting of the board of the County Commuters Association will be held at 8 p.m. on Tuesday at Acalanes High School.

At that meeting more direct action may undoubtedly be considered to press for an early settlement of the dispute, if it is still in progress.

Spring Art Show Begins Tomorrow; Public Is the Jury

The second annual Spring Show of the Diablo Art Association will open tomorrow at the Las Lomas High School in rooms 209 and 211.

The show will be open from 2:00 to 10:30 Saturday through Tuesday and is free.

Entries for the show are limited only by membership in the association. No big name artists outside the area are invited to exhibit.

The public acts as the jury. It will determine by vote the first, second, and third place in fields such as painting, ceramics, and crafts.

Frank Smith of Lafayette, chairman of the event, is assisted on the planning committee by Mrs. Lu Osgood, Saranap, and Mrs. Muriel White, Martinez.

The committee for setting up the show includes James Walsh, Walnut Creek, paintings; and Mrs. Dale King, Lafayette, ceramics and crafts.

Artists from Lafayette, Concord, Martinez, Danville, Saranap, Walnut Creek and Pittsburg will exhibit.

Hosts and hostesses will be on duty at the exhibit to explain the organization to interested persons.

About our happy Country Folks

By EDITH BOLMAN

AND SO, FORTHCOMING IS PART ONE of our first continued story — just like the old Pearl White thriller-dillers, we will leave you in a state of agonizing curiosity at the end of each installment so that you will be sure to turn up the following week to see what comes next! For us, however, none of this Pearl White stuff of being tied to the railroad track or pushed over the Falls in a barrel.

Oh no — ours is a much stronger appeal to the Orinda housewife—i.e., **houses** — interior decorating and gardens — on May 27, from 10 a.m. to 4 p.m., the Orinda Branch of the Children's Hospital is going to stage a House Tour, and the tickets are $1.50 each and may be had from any member of the Orinda Branch.

As you jolly well know, there are always procrastinating souls who try to get tickets too late to get in to Orinda Branch functions. The Fashion Show Luncheon and Luau are always sellouts long before the day of the event, and the branch members get so sad over having to turn people away. So in order not to be one of the late comers without tickets and make the branch members sad, you had better get your tickets early because, of necessity, they have to be limited in number and none will be sold at the houses.

Oh yes — houses — installment number 1 of Operation Tantalizer. The homes of the following families will be on the tour: Messrs. and Mesdames Mark Noble, Frank House, Walter Boysen, and refreshments in the gardens of Mr. and Mrs. Joseph Long.

With each forthcoming edition of the **SUN** we are going to describe one of the homes. Think you will be able to wait until next week?

ONE OF THE MOST HIGH-FALLUTIN' fashion luncheons of recent date was the one given by Laurel Branch at Diablo Country Club. The clothes were from John Mouber in San Francisco, and Mr. Mouber did the commentating against a background of soft music played on two pianos by Dorothy Chapman and Ramona McDonald.

The dresses were of the smooth, sophisticated tailored type and the evening things were magnificent. The club was gaily decorated with camellias and the guests were gaily decorated with hats — their own hats, of course, but after all you know what a spring hat does to a girl!

VISITOR FROM DETROIT. Mrs. Carl Whirl is in Orinda, visiting Mr. and Mrs. Earl Rutherford.

Seafarers Meet This Evening

The Seafarers meet tonight at 7:30 in Orinda Community Church hall. After dessert and a social get-together, there will be a program featuring a talk by Dr. William Poole of Berkeley, who will speak on "What is needed in South America from the standpoint of its people."

Dr. Poole was in Argentina for some years. Before that he was pastor of Christ Church in London. Memberings bringing a guest couple are asked to phone Mrs. Pimentel, Orinda 2915.

Save tires, gas, oil and tempers — shop here at home.

Orinda Women Aid Blind Center Bazaar

Orinda volunteers aiding in tomorrow's sixth annual bazaar by members of the East Bay Center for the Blind include Mesdames Raymond Fuller, Willie Evelyn, Paul Vashell, John Blaney, Damion Eckley and George Hartzell.

The bazaar will be held at the center, 3834 Opal Street, Oakland, starting at 10 a.m. and continuing all day.

The event is sponsored jointly by the blind members of the center and wives of the Lions Club Central Committee for the Blind, Alameda and Contra Costa Counties. Proceeds furnish funds for the recreation program for blind persons throughout the year.

Spring Benefit Planned by Women Of St. Stephen's

Members of the Women's Auxiliary of St. Stephen's Episcopal Church in Orinda are circling Friday, May 23, on their calendar of events. This is the date for their Spring Benefit, when Mrs. Ada Whealen, well known Bay Area dramatist, will present her lively monodrama on the life of Jessie Benton Fremont.

The program will start at 8 that evening at the Orinda School auditorium. A reception and refreshments will follow.

Mrs. William Haluk arranged for the printing of tickets, and they are now available from a committee composed of Mrs. Kenneth Detling, chairman, and Mesdames Thomas Reese, R. A. Fayram, James A. Brown and W. C. Hagens.

Heading other committees preparing the benefit are Messrs. and Mesdames Thomas N. St. Hill, William H. Shipley and Walter Eric Christy, reception; Mrs. M. E. Spaght, refreshments, and Mesdames Charles Gibbs and Kenneth K. Renwick, stage sets.

Mrs. William Maddock is serving as general chairman.

Mrs. Waddell in Tanager Office

At the recent meeting of the Tanager Unit of the Mt. Diablo Therapy Center, held at Mrs. Charles Coburn's home, Mrs. Alan Waddell was elected corresponding secretary, to replace Mrs. James Marshall, who will be moving soon from Orinda.

Plans for the Frontier Frolic Barbecue party to be staged jointly with the Orioles May 24 at Castle Rock Park, to be known that night as the Bar Nothing Ranch, are progressing satisfactorily under the direction of Mrs. William Witter, ways and means chairman.

Mrs. Dan Carter is in charge of decorations for the Tanagers.

Selbys to Celebrate Silver Wedding Date

Mr. and Mrs. Milton L. Selby of 107 Camino Don Miguel will celebrate their silver wedding anniversary Sunday with a buffet supper to which 50 intimate friends and relatives have been invited. Making a particularly happy time for them, their daughter, Joanne Karshoner, and baby boy "Selby" will be down from Pullman, Wash., to join the festivities.

Housecleaning — Rummage Sale Aid

With the long-awaited advent of spring, many Orindans are planning their spring housecleaning—which means ridding the house of no longer wanted clothing, dishes that have become "white elephants," old books and even chairs and tables.

These items can be used by the Women's Guild in its rummage sale April 28 and 29.

Mrs. Fred Twining, Orinda 2108, will arrange for some one to pick them up, or they can be left at the home of Mrs. Horace Breed, 80 Camino Encinas, or at the home of Mrs. J. E. Traynor, 29 Hacienda Circle.

These collection depots have been added to those previously announced.

YES, YOU CAN do something about taxes, government, local problems. Keep informed, participate, register and vote.

LEGAL NOTICE

NOTICE OF THE PROPOSED ANNEXATION OF TERRITORY TO ORINDA COUNTY FIRE PROTECTION DISTRICT IN CONTRA COSTA COUNTY

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF CONTRA COSTA STATE OF CALIFORNIA

In the Matter of the Annexation of Certain Territory to the ORINDA COUNTY FIRE PROTECTION DISTRICT.

RESOLUTION OF INTENTION TO ANNEX

WHEREAS, it is deemed advisable that the hereinafter described property be annexed to the Orinda County Fire Protection District in that said district would benefit thereby, as would the entire district,

NOW, THEREFORE, BE IT RESOLVED that it is the intention of the Board of Supervisors of Contra Costa County to annex said hereinafter described property to the Orinda County Fire Protection District.

BE IT FURTHER RESOLVED that Tuesday, the 15th day of April, 1952, at 10 o'clock A.M., in the Chambers of said Board of Supervisors, Hall of Records, Court and Main Streets, Martinez, California, be set as the time and place for hearing said matter of annexation and that the Clerk of said Board publish notice of said hearing once a week for two (2) weeks in the "ORINDA SUN," a newspaper circulated in the territory which is proposed to be annexed, and which is most likely to give notice to the inhabitants of the territory.

The property above mentioned is more particularly described as follows, to wit:

All that real property situated in the County of Contra Costa, State of California, described as follows, to wit:

Acalanes High's 'Student Prince' Operetta on 18th

A cast of more than 100 student actors and songsters will tread the boards in the Acalanes gym April 18 in the first operetta produced at Acalanes High School, "The Forest Prince," based on the music of Peter Tschaikowski.

Produced under direction of Richard Hansen, music instructor, the program will include most of the Don students in the Acalanes music department.

Highlighted in the program will be the Acalanes chorus, winners of an all-high school choral competition at the University of California earlier this year; the Acalanes modern dance group, directed by Millicent Hamburger and the Don band.

Students starring in the musical production are Lois La Bonte, Gary Shellenberger, Jayne Nodder, Nick Snel, Joanne Willits, Wayne Jacox, Bill Powers, Phil Laing, Betty Argo, Diana Osborn, Dennis Midzer, Pat Gates, Art Lassagne, Gordon Grigg and John Champlin.

The "Forest Prince" follows on the heels of the annual Acalanes senior class comedy, "Best Foot Forward," which played to a laughing audience of 800 last Friday evening.

Christian Science Topic – Unreality

The Lesson-Sermon to be read in all Christian Science churches on Sunday, April 6, on the subject "Unreality" will include the account of Jesus' healing of the woman "which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. And he laid his hands on her: and immediately she was made straight, and glorified God" (Luke 13:11-13).

From the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following correlative passage will also be read:

"If sickness is true or the idea of Truth, you cannot destroy sickness, and it would be absurd to try. Then classify sickness and error as our Master did, when he spoke of the sick, 'whom Satan hath bound,' and find a sovereign antidote for error in the life-giving power of Truth acting on human belief, a power which opens the prison doors to such as are bound, and sets the captive free physically and morally" (p. 495).

Plan 'Repeat' of Child Art Show

The Children's Art Exhibit was so successful last year that the committee is planning another one for next fall. This exhibition will include paintings and drawings from kindergarten through junior college, selected from the areas of Concord, Martinez, Pleasant Hills, Ygnacio Valley, Pacheco, Walnut Creek, Danville, Alamo, Lafayette and Orinda.

Rules for entry are:

1. Any medium may be used: Paint, pastel, finger painting, pencil, etc.

2. Any subject matter of interest to the child is acceptable.

3. Maximum size is 18 by 24 inches.

4. Every picture must have full name, age, grade, school and teacher's name or room number on back.

5. These pictures may be done at school or at home and brought to the teacher in charge in your school.

6. No copy work and no picture showing adult influence will be accepted.

First collection will be made the week following Public Schools Week, April 28 — May 3, and the final collection on Friday, May 9. At this time the pictures will be judged and those not accepted will be returned to each child's room before the end of May.

The exhibit committee would like to keep the selected pictures for future art purposes unless the contrary is definitely stated on the back. Small shows in the various communities, as well as exchanges with foreign countries, are being arranged.

Orinda children not attending the grammar schools may turn their work in to Mrs. Paul Pollaczek, 4 Rustic Way; Mrs. David Wallace, 314 La Espiral, or Mrs. William Gilman, 6 Los Altos Road.

Art Show Group Sets House Tour

May 1 is the date chosen for the first house tour of show-place homes sponsored by the special events committee of Outdoor Art Shows, Inc.

Mrs. Ray Garrett of Concord is chairman of the event and has announced that six homes in the Lafayette area will be included in the tour, which will continue from 10 a.m. until 4 p.m.

Tickets to the affair will be limited and will be priced at $1.25. Ticket committee includes Mrs. L. J. Cunningham, Lafayette, Mrs. C. H. Lentz, Walnut Creek, and Mrs. Vera Bushee, Lafayette. Art chairman is Mrs. M. B. Plant; transportation will be handled by Mrs. Douglas Kilbourn, and hospitality by Mrs. Jack Noble.

Mrs. John Ellis, chairman of the ways and means committee for the Outdoor Art Shows, Inc., announces that proceeds from the tour will go toward the fund for the Fourth Annual Art Fair, scheduled for September 6, 7, 8 and 9 at the Art and Garden Center in Walnut Creek.

Fourth Annual Art Fair is the new name chosen by directors of the Outdoor Art Shows, Inc. for the arts and crafts exhibit. The show will give local artists an opportunity to exhibit their work in a larger degree than previously has been possible.

Although the Fair will represent the creative efforts of artists throughout the Bay Area, Michael Czaja, chairman of the exhibition committee, announced that approximately 30 per cent of the paintings hung will be the work of Diablo Valley artists.

Area Girl Scouts Sell 344 Cases In Cookie Drive

Diablo Valley Area Girl Scouts' cookie sale drive ended with 344 cases sold in the area.

Top selled was Intermediate Scout Barbara Ripz with six cases and three boxes. Intermediate Scout Susan Reardon was second with five cases and six boxes.

Intermediate Girl Scout troop 99, led by Mrs. Delmar Brussard and Mrs. Vera Fahey, sold 35 cases for top troop honors.

Brownie troop 71, Mrs. Betty La Bare, leader, won the Brownie championship by selling 23 cases.

Mrs. Brussard, drive chairman, thanked the Sprouse-Reitz and Safeway Stores, troop leaders and cookie chairmen, and the public for making the drive a success.

$7000 Raised in First Two Weeks Of Easter Seals

First two weeks of the month-long Easter Seal campaign in Contra Costa County raised $7000, according to Mrs. Axtell, campaign chairman.

Mrs. Axtell said, "While this is gratifying, the amount represents only 50 per cent of the total contributions to the 1951 campaign.

"It is evident that contributions will have to continue to come in at the same rate until Easter if the Crippled Children's Society is going to have sufficient funds for its 1952 program of assistance to the handicapped."

She urged all residents of the county who have not mailed their contributions to do so at once.

Dons in 1-0 Win Over Emeryville

It was a pitcher's duel with Emeryville High Monday afternoon when the two nines had to go into an extra inning to produce a winner, with the Dons taking the win when Dick Fey opened the eighth frame for the Dons with a drive to left field which went for a home run and meant the ball game.

Bob Borghesani started on the mound for Acalanes and pitched four innings of no-hit, no-run ball, striking out six in the process.

Bob Westlund took over in the fifth and proved equally as effective, striking out three and picking a runner at first in a well executed play while scattering two hits.

Al Carrillo was the losing thrower, yielding seven hits, with the loss coming on Fey's four base wallop.

Borghesanio Trio: Pop's in Middle

The recent baseball game between the Dons and Cal Frosh found the Borghesani boys on opposite sides.

Forrest did some effective hurling for the Cal Frosh, while brother Bob did all right while throwing for the Dons.

The guy in between was Papa Lou, who paced up and down from a distance, not knowing whom to pull for, when!

HOW SAFE IS YOUR CAR?

Safety inspection of the car does not end with testing out the brakes and greasing the steering gear. It has to do with every part of the car, including the battery, the carburetor and the electric wiring.

J.V.'s John Olcott Achieves Goal of Many Hurlers—A No-Hit, No-Run Game

By ERWIN MATTSON

The cherished hope of every pitcher is to throw a no-hit, no-run game, and while it does happen, it is surprising how seldom it occurs.

Just this week John Olcott threw a no-hit, no-run game at Emeryville for the Acalanes Junior Varsity. John has perfect control and a good assortment of stuff which resulted in but three men reaching first base.

Good support helped the cause as far as a no-hit, no-run game went.

The fact remains that an element of luck often enters into it, as a well hit ball landing where it can be fielded.

Often poorly hit balls result in base hits. A typical example was in the Varsity game with Emeryville, played on the Acalanes diamond at the same time the J. V. nine was at Emeryvillie.

Richard Ting hit a line drive to deep center that was hit right on the nose and would have been a cinch home run except that it was right into the hands of the opposing center fielder for an out.

Earlier in the game, Alan Ruff swung late on an outside curve and he half-checked his swing, dropping the ball just over the first baseman's head for a hit.

THE LEAGUE ENTERS its third round of play today and, as predicted, it appears to be the closest pennant race since 1940, when the Dons first entered sidelines competition.

Pitching in general has been better than the hitting with strikeouts in greater evidence than base hits.

Varsity and Bee Swim Teams Both Lose to Sequoia

The Acalanes swimmers found the going rough when they traveled to Redwood City to meet Sequoia High Tuesday afternoon and as a result lost the Varsity meet 50-25, with the Bees on the short end of a 38-28 score, while the Cees emerged winners 34-14, thanks to some good performances by the Frosh.

Jack Gray set a new mark of :40.0 for the 50-yard breast stroke for the Cees, while the relay teams set new records in both relays.

Pete St. Hill, Jack Gray and Paul Kops won the 75-yard medley in :49.0, while Don Mortara, Don Ong, Mike Ballachey and Charles Knobel set a new mark of :54.0 in the four man relay.

In the Varsity and Bee events, Sequoia had too much depth.

In the Varsity meet, Brooks DeLaneux, with a 1:11.0 hundred breast stroke, and Dick Hubach's 2:10.0 in the 200-yard free style were the only first place winners.

In the Bees, John Spiegl, with a 27.4 in the 50-yard free style copped a first, as did John Sullivan with 1:03.2 in the 100-yard free style event.

Don Parents Ask Cake-Pie Sale Aid

Donation of cakes and pies to be sold in the annual Acalanes Parents Club cake and pie sale to raise funds for senior Acalanes scholarships are still being sought, according to Parents Club officers.

The sale is slated for April 19, in stores in the three communities served by Acalanes High. Parents who do not wish to donate pastry are requested to send a money contribution to club officers.

Acalanes mothers working on donations in Walnut Creek are Mrs. William Wadman, chairman of the phone committee; Mesdames C. L. Aiman, G. H. Berkeley Proves Too Tough for Don Thinclads

The Dons' thinclads found Berkeley High too tough a hurdle on March 27, with the result that the Varsity dropped the meet 74-66, while the Bees fell 91-45, with Las Lomas gathering five points.

Mike White won a first in the Bee meet with five feet, three inches in the high jump and did it again with nine feet in the pole vault.

Eddie Mason with a heave of 46 feet, nine inches, won the shot put for the only other first.

Outstanding mark of the meet was made when Neil Caldwell set a new school record by soaring over 12 feet even in the pole vault.

Gary Coad was in his usual good form, copping the 120-yard high hurdles in :15.6 and the 180-yard lows in :20.4.

Bruce Morgan tied for first with Richard Munn of Berkeley at five feet, seven inches in the high jump.

Acalanes Routs Alhambra, 7-0, In Tennis Play

The Dons racquet wielders were up to their top form last week when they stroked their way to an easy 7-0 win over a willing but hapless Alhambra High crew.

The matches marked the second round of league play and found the Dons jumping to a lead when Howard Flanders defeated Alhambra's Al Kiting 6-0, 6-1, and John Kistinger waxed Fred Zanussi 6-0, 6-0.

Jerry Gray coasted to win over Don Mitchell 6-2, 6-0, while Don Rathjen had things all his own way 6-0, 6-0, with Bill Reed the victim.

Phil Lowthiar made the route complete in the singles when he won over Hal Erickson 6-1, 6-0.

In the doubles, it was the same story, with Flanders and Gray defeating Keiting and Nelson 6-1, 6-1, while Rathjen and Kistinger ended the day with a 6-0, 6-0 victory over Zanussi and Mitchell.

The win kept the Dons at the top of league standings and favorites to cop the county title.

Baseball League Organized for Boys Under 16

A county baseball league has been formed for boys under 16, with six and possibly eight teams taking part.

The league is set to get under way the middle of this month and will run until early summer.

The Lafayette Legion is entering a nine and will also back a team in the regular Legion play for boys 17 and under, which commences the end of May, following completion of the high school season.

For many years the Ford Motor Company has sponsored Legion teams but Dame Rumor has it that the Ford Company is dropping out.

Rumor also has it that several others are considering taking over but to date it's all in the rumor stage, with nothing official.

Pete Kramm on All-Service Five

Word has been received that Pete Kramm, former Acalanes Don who made All-Northern California in basketball, has been chosen as center on the All-Service team.

Pete is in the Navy and has been playing outstanding ball as a member of the San Diego base five that won 45 out of 48.

Don Nine Whips Alhambra Team By 10-2 Count

The Alhambra baseball nine came to Acalanes for a league game last Friday, only to go home on the short end of a 10-2 count.

Alhambra scored first in the top half of the second, when they put together three singles to push across a run.

The lead was temporary, however, as the Dons bounced back with five runs on three hits and three walks in their half of the second.

ALHAMBRA'S ONLY other score came in the seventh, when they scored once again in a desperate but futile rally.

The Dons had established a comfortable lead by then, having scored three in the fifth and one in the sixth, which proved to be more than enough for the win.

Bob Borghesani went the route on the mound for the Dons and proved most effective, as he kept things under control all the way.

BOB DWIGHT, ace shortstop, was the fielding star as he handled eight chances without a bobble.

The win was the second in league play for the Dons and kept them in a tie with Mt. Diablo for top honors in league play.

Varsity Paddlers Lose to Hayward

The Hayward Farmers came to town with the result that the Varsity swimmers of Acalanes tasted the bitter dregs of defeat, for the first time this season, 40-35, on March 26.

The Don Bees came out in front to remain in the undefeated class with a 40-26 margin, climaxed with a record breaking relay mark.

The Acalanes Varsity did O.K. as far as first places went, capturing five firsts to Hayward's four, but was outscored in the seconds and thirds, which marked the difference.

The Bees held a lead throughout the meet and came through with a new school record of :50.2 in the 100 yard free style, with Denny Traynor, Mike Small, Rod Kistinger and John Spiegl forming the winning combination.

No Hits, No Runs For Emeryville In 4-0 JV Loss

The Acalanes Junior Varsity Baseball nine had a good day Monday, when they toppled the Emeryville club by a 4-0 score with hurler John Olcott throwing a no-hit, no-run game for a 4-0 win.

John had a good day when his control, along with a fast ball and sharp-breaking curve, set down 13 would-be hitters via the strike-out route and allowed only three to reach the initial sack.

John Champlain was the hitting ace, getting two for four with the bat, one of which was a booming triple which drove in two runs.

No Sports Next Week—Vacation!

Athletic activity at Acalanes suspended for next week, because of Easter vacation.

While Dons and Donnas get a week off from their studies, the school high school athletes can relax, dream of future victories and hope they won't be too "rusty" when schedules are resumed the week after next.

And they and their coaches, of course, will hope for continuation of balmy weather!
